SUBJECT: Industrial Security Seminars

1. Planning has been initiated to conduct a series of Industrial Security Seminars, beginning in January 1982 and continuing at reasonably spaced intervals to accommodate approximately 150 contractor security representatives in groups of 30 to 35 at each session. The following is a preliminary seminar agenda being circulated for comment as the critical first step to be accomplished.

2. It is expected that each Industrial Security Seminar will encompass two complete days of activity, to include:

3. As indicated earlier, this is a preliminary agenda. Your thoughts on topics to be added or deleted, as well as suggested speaker participants and the allocation of time, will be particularly helpful. Any ideas that will contribute to the success of this effort are solicited and will be very much appreciated. Because of the extensive coordination to follow, please respond as soon as possible.
